Dear Ms. Mapes:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 227636.

The Killeen Police Department (the "department") received a request for all traffic accident reports for "all dates" at various specified intersections. You claim that the requested information is excepted from disclosure pursuant to section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted sample information.¹ We have also considered comments submitted by the requestor. *See* Gov't Code § 552.304 (providing that interested party may submit comments stating why information should or should not be released).

The documents you seek to withhold consist of accident report forms that appear to have been completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 552.101 of the Government Code excepts from

¹We assume that the sample of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

disclosure “information considered to be confidential by law,” and encompasses information that is made confidential by statute. Section 550.065(b) states that, except as provided by subsection (c), accident reports are privileged and confidential. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. Transp. Code § 550.065(c)(4). Under this provision, the Department of Public Safety or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of information specified by the statute. *Id.* In the situation at hand, the requestor has not provided the department with two of the three pieces of information. Thus, you must withhold the accident reports under section 552.101 of the Government Code in connection with section 550.065(b).

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov’t Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, upon receiving this ruling, the governmental body will either release the public records promptly pursuant to section 552.221(a) of the Government Code or file a lawsuit challenging this ruling pursuant to section 552.324 of the Government Code. If the governmental body fails to do one of these things, then the requestor should report that failure to the attorney general’s Open Government Hotline, toll free, at (877) 673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Tex. Dep’t of Pub. Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.—Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Texas Building and Procurement Commission at (512) 475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. We note that a third party may challenge this ruling by filing suit seeking to withhold information from a requestor. Gov't Code § 552.325. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,
